

Bus Drivers

Thank you for driving our competitors!

1. Drop off your students in front of Building C: Academic Building
2. If you are staying – drive around and park on the outside lane behind building A: Aviation. You should see busses already in the lane. If for some reason we run out of space in the outer lane, ATC Police will direct you to the overflow parking.
3. Once you secure your bus, you are welcome to come to the student lounge on the first floor to stay warm and relax. The best way is to take the path between Building A and C. enter at the Dennard Center (Building B) and ask directions to the student lounge.
4. At the end of the competitions, you may pull to the front to pick up or have students walk back to the bus to load.

Note: The loop around ATC is one way.

Drop Off 9:00 AM/ Pick Up 2:00
